# September 2020

Lenox Township Library

## A Note From Our Director

2020 has been a challenging year for us all, and as we approach the fall season, The Lenox Township Library staff has worked diligently to develop programming that helps to enrich the lives of those in our community while also maintaining policies that keep everyone safe. Whether you visit us in person or through our website, lenoxlibrary.org, we remain dedicated to providing quality services and a library experience that promotes learning, creative expression, and personal growth for all. We look forward to seeing you (and your fun mask designs!) in the month to come and, as always, we thank you for your continued support and patience as we all navigate the ‘new normal.’

## September is Library Card Sign-Up Month!

Visit our library to sign up for a library card. If you are 18 years or older you can sign up for a 30 day card by calling the library or email us at lenstaff@libcoop.net.

## What can you do with your library card?

Along with checking out books and movies at the library we have multiple online options for your convenience.

- \* Overdrive: With Overdrive, you can check out many eBook and audio book titles which you can download onto almost any device.
- \* Tutor.com: Using the link found on our website, you can receive live, online tutoring and job search support. Log in with your library card and pin number.
- \* Britannica School: Suited for elementary, middle, and high school

levels; explore, play, read and learn! Find homework help, primary sources, atlases and so much more.

- \* Learning Express Library: Explore interactive practice tests and tutorial courses to help students and adults succeed on academic or licensing tests.
- On our website under the Catalogs and Databases tab, click on Gale Power Search to find all of these databases and much more.
