Virtual Library Cards

Attention!

All New Haven Community School Students Now Have a Virtual Library Card!

What does this mean? You now have access to our online databases such as Overdrive, Tutor.com, Learning Express Library, and more from home without needing a physical library card. Your virtual library card number is NHS + your school number.

Your 4 digit PIN number is the first 4 digits of your birthday (i.e. April 23; 0423).

You are not able to use the library computers, check out movies or physical books, however, with your virtual card. A physical card is still needed for these services.
